

ERANet-LAC :Network of the European Union, Latin America and the Caribbean Countries

1- Summary

This call will finance activities of investigation and innovation, however projects may include researchers' mobility measures as well as access to R&D infrastructures that promote the development of long term partnerships. This is a joint call. Each partner country is responsible for financing the participation of institutions from this country.

2- Scope

This call focusses on two main areas:

a - Evaluation of low threshold interventions to tackle chronic metabolic disorders and their associated cardiovascular diseases in EU and LAC countries. Participants are Spain, Argentina, Belgium, Chile, Dominican Republic, France, Panama, Peru, Romania, Turkey;

b - Research in prevention of infectious diseases and promotion of well being. Participants are Spain, Argentina, Belgium, Chile, Dominican Republic, Germany, France, Peru, Romania and Uruguay

3- Eligibility: the consortia must count with the participation of at least four partners from four different countries, including two from each region and a maximum of two partners per country.

4- Budget: The maximum budget allocated in Spain for each area is of EUR 100.000,00

5- Duration: the maximum duration of the project must be of 36 months.

7 - Deadline:

a - VHIR deadline: 20/11/2014

b - Official deadline: 27/11/2014
