

CONVOCATÒRIA

H2020-MSCA-IF-2019

Benvolgudes, Benvolguts,

Ens complau informar que la convocatòria H2020 per a les beques Marie Skłodowska-Curie Individual Fellowships (MSCA-IF) està oberta. Adjuntem en aquest correu el programa de treball on hi trobareu tota la informació de la convocatòria. Alhora, us informem que està prevista una jornada informativa del programa pel proper 14 de maig. Al final d'aquest correu us oferim més informació sobre aquesta jornada.

L'objectiu d'aquesta convocatòria és millorar el potencial creatiu i innovador dels investigadors i investigadores que ja han obtingut el doctorat per tal que aquests puguin diversificar les seves competències a través d'una formació avançada, internacional i de mobilitat intersectorial.

Existeixen cinc tipus d'accions que detallarem a continuació:

MSCA-IF-EF-ST Standard European Fellowships: Allowing mobility between European countries and from Third Country to Europe

Open to researchers of any nationality.

The researcher must move or have moved from a Third Country to the EU Member State or Horizon 2020 Associated Countries where the host institution is located.

Researchers must comply with the rules of mobility: not have resided or carried out their main activity (work, studies etc.) in the country of their host organization for more than 12 months in the 3 years immediately prior to the reference date (11/9/2019) and shall be in possession of a doctoral degree or have at least four years of full-time equivalent research experience.

Duration: 12-24 months.

MSCA-IF-EF-CAR Career Restart panel: supporting researchers who want to resume research in Europe after a break in research

Open to researchers of any nationality.

The researcher must move or have moved from any country to the Member State / Horizon 2020 Associate Country where the host institution is located.

Researchers must not have been active in research for a continuous period of at least 12 months within the 18 months immediately prior to the deadline for submission.

Researchers shall be in possession of a doctoral degree or have at least four years of full-time equivalent research experience.

The researcher has to comply with the mobility rule: not have resided or carried out his/her main activity (work, studies, etc.) in the country of the host institution for more than 36 months in the 5 years immediately before the call deadline (11/09/2019).

Duration: 12-36 months.

MSCA-IF-EF-RI Reintegration panel: supporting researchers who want to return and reintegrate in a longer term research position in Europe

Researchers must be nationals or long-term residents (at least 5 consecutive years) of EU Member States and

Horizon 2020 Associated Countries and be in possession of a doctoral degree or have at least four years of full-time equivalent research experience. Researchers who are refugees in a MS or AC may also apply, irrespective of whether they are long-term residents or not.

The researcher must move or have moved from a Third Country to the EU Member State or Horizon 2020 Associated Countries where the host institution is located.

The Researcher has to comply with the mobility rule: not have resided or carried out his/her main activity (work, studies, etc.) in the country of the host institution for more than 36 months in the 5 years immediately before the call deadline (11/09/2019). Duration: 12-24 months.

MSCA-IF-EF-SE Society and Enterprise panel: facilitating career moves between the academic and non-academic sector

Open to researchers of any nationality.

The ER must move or have moved from any country to the Member State / Associate Country where the host institution is located. The research and innovation projects take place in host institutions from the non-academic sector.

Researchers shall be in possession of a doctoral degree or have at least four years of full-time equivalent research experience.

The researchers have to comply with the mobility rule: not have resided or carried out his/her main activity (work, studies, etc.) in the country of the host institution for more than 36 months in the 5 years immediately before the call deadline (11/09/2019).

MSCA-IF-GF Global Fellowships: Allowing an initial outgoing phase to a Third Country and a final returning phase to Europe.

Researchers must be nationals or long-term residents (at least 5 consecutive years) of EU Member States and Horizon 2020 Associated Countries and be in possession of a doctoral degree or have at least four years of full-time equivalent research experience.

The researcher must move or have moved from any country to the Third Country of the outgoing phase.

The researcher has to comply with the mobility rule in the Third Country of the outgoing phase: not have resided or carried out his/her main activity (work, studies, etc.) in the third country for more than 12 months in the 3 years immediately before the call deadline (11/09/2019).

Duration: 24-36 months (12-24 months for the outgoing phase plus mandatory 12 month return phase in Europe).

L'Oficina Europea torna a posar en marxa el servei de difusió "IF Expression of Interest: Spanish Hosting Offers" dins el portal ESHorizonte2020. L'objectiu d'aquest és donar visibilitat a aquelles institucions espanyoles que desitgin contractar investigadors post-doctorals en el marc de la convocatòria "Marie Skłodowska Curie – Individual Fellowships 2018". Si esteu interessats en acollir un investigador en el vostre grup de recerca, cal que contacteu amb la Unitat de Projectes de Recerca Competitiva (ajuts@vhir.org), que gestionarà la publicació de la vostra oferta.

El pròxim dia 14/05/2019 IBEC-Oficina Europea FECYT MICIU- AGAUR organitza una Jornada informativa MSCA-Individual Fellowships 2019 a Barcelona. Les places estan limitades i per aquest motiu recomanem que us registreu

al més aviat possible en el següent enllaç. La jornada comptarà amb la participació del Punt Nacional de Contacte (NCP), Cristina Gómez, i amb una taula rodona representada per personal avaluator i investigador que oferiran la seva experiència en el mateix programa. Per aquells qui estiguin interessats en coordinar propostes, al final de la jornada hi ha l'oportunitat de fer una entrevista personal amb el NCP. Caldrà sol·licitar-ho de manera prèvia al moment d'inscripció a la jornada.

Des de la Unitat de Projectes de Recerca Competitiva us podem ajudar en la preparació de les vostres sol·licituds per tal d'aconseguir que aquestes siguin més competitives.

Dates de presentació de sol·licituds:

Termini Intern per fer la mostra d'interès: 21/08/2019

Termini intern opcional per a la revisió de memòria científica: 29/08/2019

Termini intern obligatori per a la revisió de pressupost i esborrany de memòria científica: 03/09/2019

Termini Intern per fer la sol·licitud: 09/09/2019 a les 13:00h

Recordar-vos que la Unitat de Projectes de Recerca Competitiva no es farà responsable d'aquelles sol·licituds realitzades amb menys de 24 hores abans no finalitzi el seu termini oficial. En aquells casos que el termini oficial sigui un dia no laborable, el termini intern marcat per la institució es traslladarà al darrer dia laborable abans no finalitzi el període de sol·licitud.

El termini oficial per a presentar sol·licituds acaba el dimecres 11 de setembre (17:00h, Brussels time).
